

Your First Stop For Better Hygiene and Water Conservation

*T&S's ChekPoint™ Electronic Faucets
Offer You More Options*

Introducing...

Our Extended Line of ChekPoint™ Electronic Faucets

Now, you have many more options to choose from with our water-saving **ChekPoint electronic sensor faucets**.

Along with their ease of installation and convenient AC/DC control module, these new options are available to customize ChekPoint faucets:

- **-LN** Less nozzle option (EC-3100, EC-3101 faucet bodies)
- **-SM** Side-mount option (EC-3100, EC-3102)
- **-SMT** Side mount with thermostatic valve option* (EC-3100, EC-3102)
- **-TMV** Below deck thermostatic mixing valve option* (all models)
- **-LF** 2.2 GPM vandal-resistant laminar flow option (all models)

In addition, with the EC-3100 deck-mounted or EC-3101 back splash-mounted models:

- you can specify any T&S rigid gooseneck you require!

ChekPoint Faucets – Reliable By Design

Standard Features

- Hands-free washing greatly reduces risk of contamination
- Sensor-operated faucets conserve water
- Water-resistant circuit control module
- Each model comes with the convenience of electric plug-in (AC) and battery (DC) power options
- ADA-compliant
- Adjustable temperature control mixing valve
- Proven electronic technology – tested to exceed 450,000 washes
- Adjustable automatic time-out feature
- Adjustable water shut-off delay
- Chrome plated brass
- Troubleshooting LED indicator lights
- Scratch-resistant sensor lens
- Filtered solenoid valve with serviceable strainer filter
- Modular quick-release sensor connections
- Low battery indicator light
- Pre-assembled with appropriate mounting hardware included
- Vandal-resistant aerators (2.2 GPM)
- Check valves for cross-flow prevention in all models
- Requires no sealants for easy installation

* Available in late 2008

ChekPoint Faucet Gooseneck Options

For EC-3100 and EC-3101 models:

- Choice of any T&S Rigid Gooseneck on EC-3100 and EC-3101 faucet body models
For example: Specify an EC-3100-LN with a 130X rigid gooseneck

Note: The sensor range may not equal the spread of larger goosenecks and requires consideration when installing ChekPoint EC- faucets.

ChekPoint Faucet Components

These parts are included with all models:

- 1 Vandal-resistant Aerator Key
- 2 Installation tool – Tee Wrench (except EC-3101)
- 3 Faucet Body with sensor connection (plugged into control module; EC-3101 faucet body shown)
- 4 Stainless Steel Braided Water Hose
- 5 Hot and Cold Stainless Steel Braided Water Hoses with standard adjustable Mixing Valve (Thermostatic Mixing Valve is optional)
- 6 Water resistant Circuit Control Module (with door open to show standard DC battery)
- 7 Plug-in wall transformer (AC) is also standard

Packaging For the ChekPoint Electronic Faucet

All components are clearly packaged for ease of assembly.

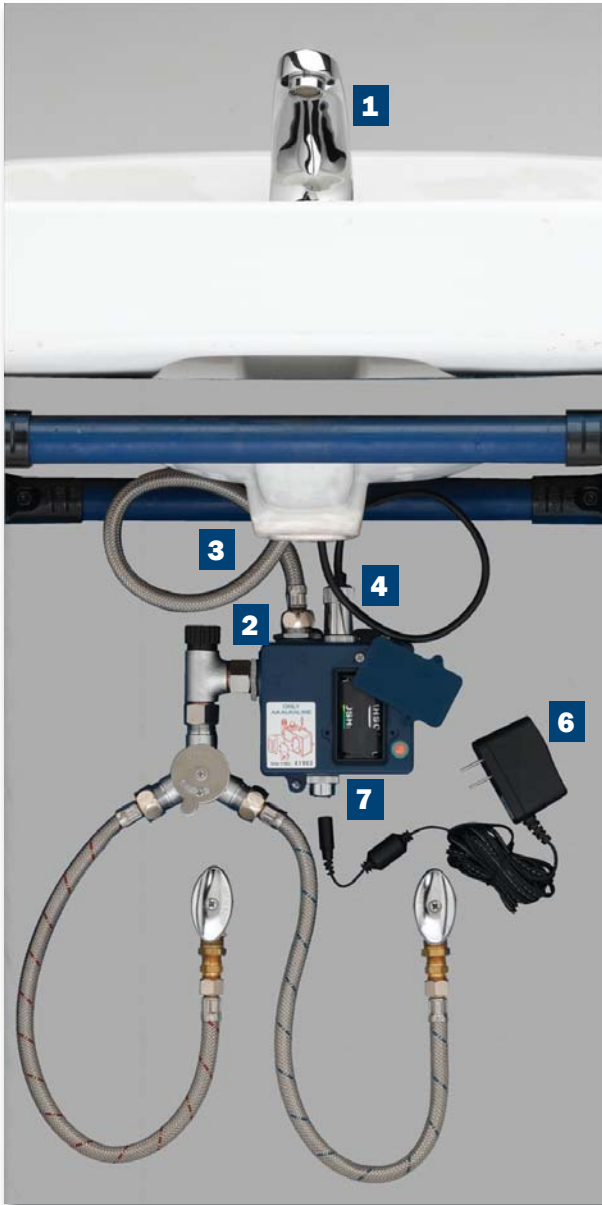

ChekPoint Electronic Faucets Typical Installation

Installation is simple with ChekPoint faucets:

- 1 Mount faucet (deck or wall mount)
- 2 Mount controller to wall below sink
- 3 Connect supply lines
- 4 Connect sensor cable from faucet to controller
- 5 Choose your power option:
 - 6 Electric plug-in wall transformer (AC)
or
 - 7 Four 'AA' batteries (D/C, included)

How To Specify A ChekPoint Option

Add any of the following suffixes to your ChekPoint faucet model number:

-LN	Less nozzle option (EC-3100 and EC-3101 faucet bodies)
-SM	Side mount option
-SMT*	Side mount with thermostatic mixing valve option
-TMV*	Below deck thermostatic mixing valve option
-LF05	Laminar flow option, 0.5 GPM
-LF22	Laminar flow option, 2.2 GPM

* Available in late 2008

Other Technical Data

Consult the T&S Brass "Installation and Maintenance Instructions for ChekPoint Faucets" booklet for a complete guide to installing and maintaining your faucet.

Replacement Parts

A full range of replacement and repair parts are available for ChekPoint faucets with a list in the ChekPoint "Installation and Maintenance Instructions" booklet.

Limited One Year Warranty

T&S warrants ChekPoint faucets to be free from defects in material and workmanship for a period of one (1) year from the date of purchase.
